

## City of Hurst 2006 Quality Service Award

City of Hurst Mayor Richard Ward (pictured left) and City of Hurst Planning and Zoning Board Member Mary Ellen Schiermeyer (pictured center) present Lion Hospice Founder and CEO Darren Lee (pictured second from left), Lion Hospice Director of Nursing Care Jeannette Belton, RN, MSN (pictured second from right) and Lion Hospice Administrator Kyle Zenkner (pictured right) with the city of Hurst 2006 Quality Service Award.

The City of Hurst presents this award annually to a local business that exhibit a customer service ethic beyond the standards of normal business operations. Lion hospice was nominated for this award by a family member of a patient we served and was selected from a group of 21 nominees.

Since 1995, Lion Hospice has provided quality end-of-life care to thousands of patients and families across the DFW Metroplex. The dedication and hard work of our specially trained team of caregivers (registered nurses, physicians, home healthcare aides, social workers, chaplains, bereavement counselors and trained volunteers) was recognized on September 15, 2006 when Lion Hospice was awarded The City of Hurst 2006 Quality Service Award.
